Conference 07 from Phase A.

CONF. 07

THE PROTECTIONS: BELILIN, MAGIC CIRCLE, JUPITER, PENTALFA

PROTECTION OF BELILÍN:

It drives the negative forces away from the environment (larvae, black magicians, etc.)

- Concentrated on the heart without admitting any thought, or doing anything different.
- We chant while imagining each word:

"Belilín, Belilín, Belilín,
Amphora of salvation,
I would like to be next to you,
Materialism has no strength next to me,
Belilín, Belilín, Belilín.
Belilín, Belilín, Belilín,
Amphora of salvation,
I would like to be next to you,
Materialism has no strength next to me,
Belilín, Belilín, Belilín.
Belilín, Belilín, Belilín,
Amphora of salvation,
I would like to be next to you,
Materialism has no strength next to me,
Belilín, Belilín, Belilín."

MAGIC CIRCLE OF PROTECTION:

It closes off the environment and leaves it protected.

- Concentrated on the heart, without admitting any thought or doing anything different.
- With confidence and strength.
- Imagining each word

"My Father, My Lord, My God,
I beg You, if it is Your Will, to command my Elemental Intercessor,
to leave my body and trace a Magic Circle of protection around... (place),
to make it free from the forces of evil.
Elemental Intercessor, Elemental Intercessor, Elemental Intercessor,
Work in the Name of the Christ, by the Power of the Christ,
by the Majesty of the Christ."

"SSSSSSSSS,
SSSSSSSSS,
SSSSSSSS."

EXPLANATIONS ABOUT THE MAGIC CIRCLE OF PROTECTION:

The Elemental Intercessor is a part of our Being that has all the wisdom of Nature.

The Elemental Intercessor does not obey us and therefore it must be done through the Father.

When mantralizing the "SSSSSSS," one must imagine that a bright green light surrounds the perimeter of the chosen place, in a clockwise direction.

PROTECTION OF JUPITER:

It serves to defend oneself from an attack, to protect oneself from supposed Masters, etc.

- Concentrated on the heart, without admitting any thought or doing anything different.
- Covering our solar plexus with the left hand.
- Raising the right hand, thumb, index and middle fingers raised, ring and little fingers closed.
- When pronouncing the mantram TE VIGOS COSLIM we imagine that a ray comes out of the three fingers.
- Imagining each word.
- The whole procedure is repeated three times

"IN THE NAME OF JUPITER FATHER OF ALL THE GODS,
I DISINTEGRATE YOU, TE VIGO COSLIM."

Clarification: When we say "I disintegrate you" we are disintegrating the psychological ego (the defect).

PENTALFA:

Enclosure for daily life when leaving the house or breaking a Magic Circle.

- Perform the following movements while pronouncing the mantrams: Klim, Krishnaya, Govindaya, Gopijana, Vallabhaya and Swa-Ha. It can be done with or without mantrams.

End of Conference 07.
